Zenator Systems - Technical Guidance Notes

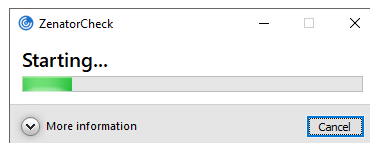

Broadcast and Message Feature

Choose Message icon to see Broadcasts and Messages

The screenshot shows the Global Falcon Zenator Check application window. The menu bar includes File, Edit, View, Document Generation, Maintenance, Tools, Administrator, Management, and Help. The Help icon, which is a speech bubble with a checkmark, is highlighted with a red box. The main content area displays a tree view of Project Groups on the left and a table of System Groups on the right. The table has columns for Number, Name, and Status.

Number	Name	Status
020	Communication	~
035	Production & Test Separators	~
